

PRESS RELEASE

Bally's Intralot awarded new lottery contract in Chile by Polla Chilena de Beneficencia

Athens, April 24, 2026

Bally's Intralot S.A. is pleased to announce the signing of a new contract with Polla Chilena de Beneficencia S.A., the State Lottery of Chile, to deploy its industry-leading lottery, sports betting and digital technology solutions. Following a competitive procurement, Bally's Intralot was awarded a contract of up to 12 years, which consists of a 10-year base contract term, followed by one extension option of up to 2 years.

Under the terms of the agreement, Bally's Intralot will overhaul Polla Chilena's lottery and sports-betting offerings across retail and digital channels by seamlessly migrating to its **LotosX Omni** ecosystem. Specifically, Bally's Intralot will deploy its turnkey **LotosX** Lottery Solution including the **LotosX** Central Gaming System, **PlayerX** Player Account Management System, **RetailerX** Retailer Management System, alongside its **Orion** Sports Betting Platform. Lottery retailers across Chile will be equipped with 2,500 next-generation camera-based gaming terminals, while Polla Chilena's website and mobile applications will be fully revamped.

Through this partnership, Bally's Intralot will support Polla Chilena in delivering a fully integrated omnichannel strategy, enabling seamless player engagement across retail and digital environments. The implementation is expected to significantly enhance the overall customer experience while also improving operational efficiency, productivity, and long-term scalability.

Demián Arancibia Zeballos, General Manager of Polla Chilena de Beneficencia, said: *"This agreement marks a significant milestone in Polla's modernization process, enabling us to make a leap forward in technology, user experience, and operational efficiency. Through this partnership, we aim to consolidate a gaming offering that is secure, modern, and aligned with our customers' evolving expectations, while at the same time safeguarding our social role."*

"Polla Chilena de Beneficencia is a valued long-standing partner and we are honored to renew and strengthen our collaboration," said **Robeson Reeves, CEO of the Bally's Intralot Group**. *"This agreement reflects the trust placed in our technology, our people, and our long-term commitment to supporting regulated lottery operators. Working closely with Polla Chilena, we aim to deliver a modern, secure, and scalable gaming ecosystem that enables sustainable growth, innovation, and responsible operation of gaming services, supporting the Lottery's ongoing contribution to Chilean society."*

About Bally's Intralot S.A.

Bally's Intralot, following the October 2025 acquisition of Bally's International Interactive Business, is a leading iGaming and lottery solutions provider listed on the Athens Stock Exchange, aiming to drive strategic growth and global competitiveness across the globe. Combining Bally's proven digital B2C expertise with INTRALOT's longstanding leadership in regulated lottery gaming, Bally's Intralot forms a uniquely positioned, independent global champion across online gaming, lottery, iLottery, and sports betting.
